America the Beautiful

**O beautiful for spacious skies, For
amber waves of grain, For purple
mountain majesties Above the fruited
plain! America! America! God shed His
grace on thee, And crown thy good with
brotherhood From sea to shining sea!**

**O beautiful for heroes proved In
liberating strife, Who more than self
their country love And mercy more
than life! America! America! May God
thy gold refine Till all success be
nobleness, And every gain divine!**

**O beautiful for patriot dream That sees
beyond the years, Thine alabaster cities
gleam Undimmed by human tears!
America! America! God shed His grace
on thee, And crown thy good with
brotherhood From sea to shining sea!**
